Good things come in ~~small packages~~ great packaging.

OUR MISSION

Delivering exceptional products and services that point to the eternal hope of **Jesus**.

18 And may you have the power to understand, as all God's people should, how wide, how long, how high, and how deep his love is. **19** May you experience the love of Christ, though it is too great to understand fully. Then you will be made complete with all the fullness of life and power that comes from God. **Ephesians 3:18-19 NLT**

A portion of every sale goes to **help families** fight poverty and **flourish**.

INVESTING IN *dreams*®

At HOPE International, our mission is to invest in the dreams of families in the world's underserved communities as we proclaim and live the Gospel.

Around the world, billions lack access to meaningful work that would help them provide for their families. Trapped in material poverty and feelings of hopelessness, many begin to believe a life of flourishing will always be out of reach. HOPE offers financial tools that empower individuals to put their God-given skills and creativity to work—restoring dignity and self-worth in the process—as we invite them to find their soul's satisfaction in Christ.

When families have consistent income, they can:

Secure stable
housing

Afford a
nutritious
food supply

Become **less**
vulnerable
to traffickers

Invest in their
children's
future

Build **savings**
for emergencies

Discover how Christ-centered economic development fights poverty and equips families to flourish.
